Renaissance . . . a new birth, a great revival of art, literature and learning. These past years have been a renaissance for Bethany with the past one being the height of our revival. It was a time when our leaders looked back in order to set goals for the future of Bethany. The physical appearance changed, academic programs were restructured, and students and administration began compiling a doctrine of principles for the school.

A new Bethany? No, not really. It's more like a rebirth of the old Bethany that began with Alexander Campbell and continued through men like William K. Pendleton and Perry E. Gresham. Things change at

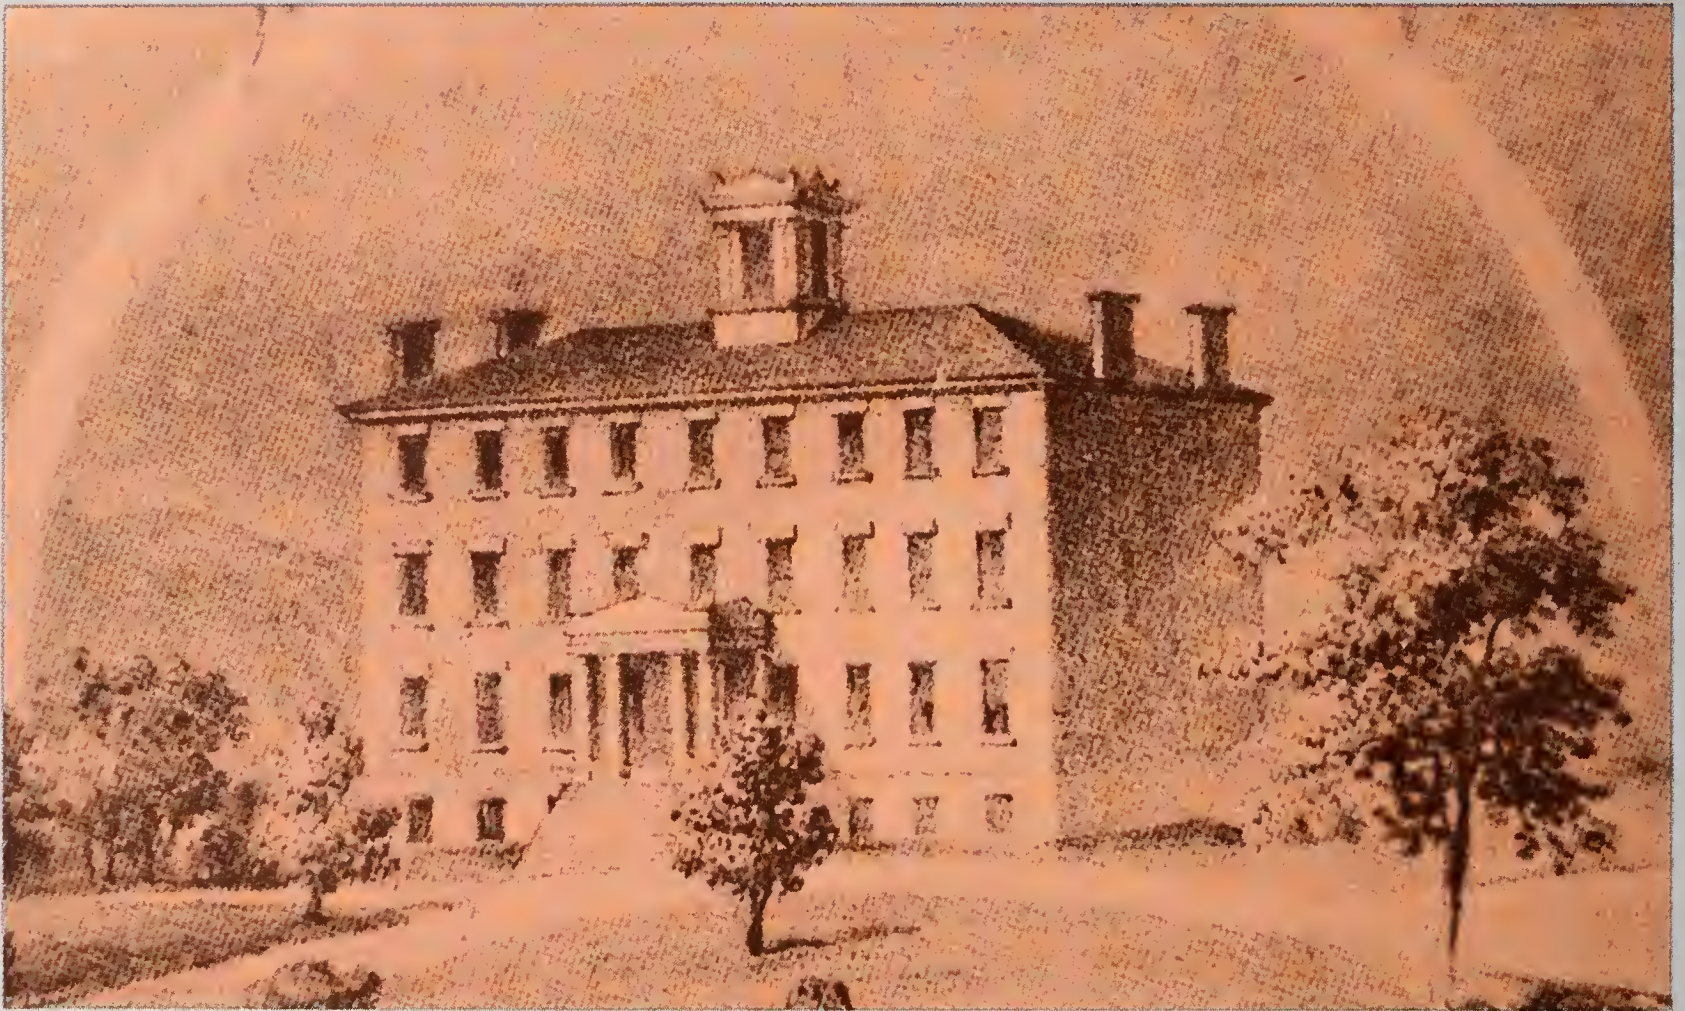

Bethany as they do everywhere else, but somehow in Bethany, the more things change, the more they stay the same.

Renovations have occurred, but nothing has touched the history, traditions or atmosphere of Bethany. It is a college and a community which exist together as one apart from the rest of the world.

1984-85 was our rebirth, the year Bethany saw a revival of not only structures but also foundations. This year's Bethanian will take you through some of this renaissance, because sometimes you have to look back into the past to understand the present and foresee the future.

“A literary moral and religious school,
or the union of four institutions in
one - the family, the primary school,
the college, and the church in one
great system of education.”

W.K. Pendleton

Alexander Campbell described his ideal college as one located in a country setting, detached from all external society, and amidst the forest, fields, and gardens. “The college proper,” as pictured above, was the answer to his dream. This original Old Main structure served Bethany from 1842 to 1857. A tragic fire broke loose in Old Main on Dec. 10, 1857 and destroyed Old Main, despite the efforts of students and town people to extinguish it.

Plans for reconstruction and the acquisition of funds began immediately. By February 1858, architectural plans for a new Old Main were developed. With tribute

to Mr. Campbell, James L. Wilson, and William K. Pendleton, Old Main was and still is recognized as the most impressive accomplishment in the country during that era.

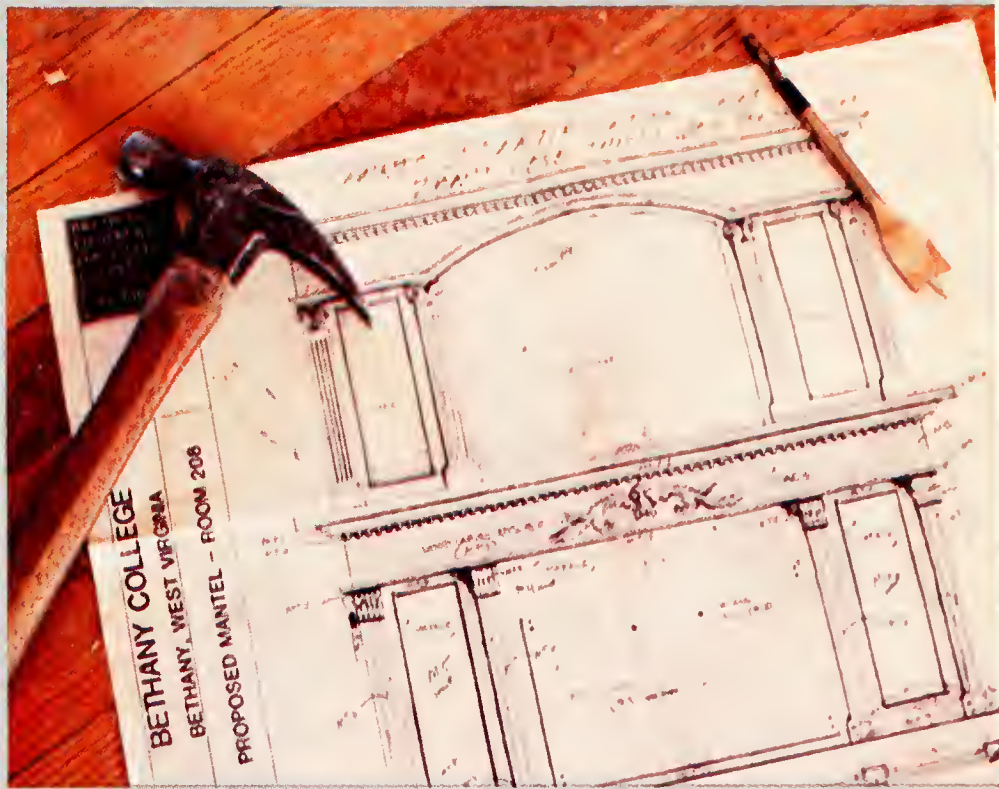

Throughout its long life, Old Main has been through many changes. In 1879 part of Old Main, Society Hall, burned down while another, Commencement Hall, was under construction. In 1911 with the funds of Earl W. Oglebay, Oglebay Hall was built at the site of the Old Society Hall.

Through time, however, Old Main began to severely depreciate; the building needed to be repaired, moisture-proofed and updated both

mechanically and electrically.

It was decided in the early 1970's that Old Main should be restored, and that phasing would be necessary to complete such a task.

The first phase contained the initial plans including fund raising and the selection of a contractor. Phase II began the major labor, and Phase III was used for planning, preparing and exploring Old Main in order to achieve a practical restoration. Construction was on a medium level and the College prepared for the closing of Old Main in Phase IV. The fifth and final phase is the perfecting of Old Main which is now in process.

Reconstruction is not a new word when referring to Commencement Hall. Since its construction in 1872 it has taken on three different forms. In 1890 it became a gymnasium; then a male dorm, and in 1923, it was converted into a hall and classroom. In 1984 the Hall has been returned to its original splendor.

The reconstruction of Commencement Hall is part of Phase IV of the Restoration of Old Main, along with the renovation of the parlor room on the second floor, and classrooms along the corridor — including new offices for the President and Vice President.

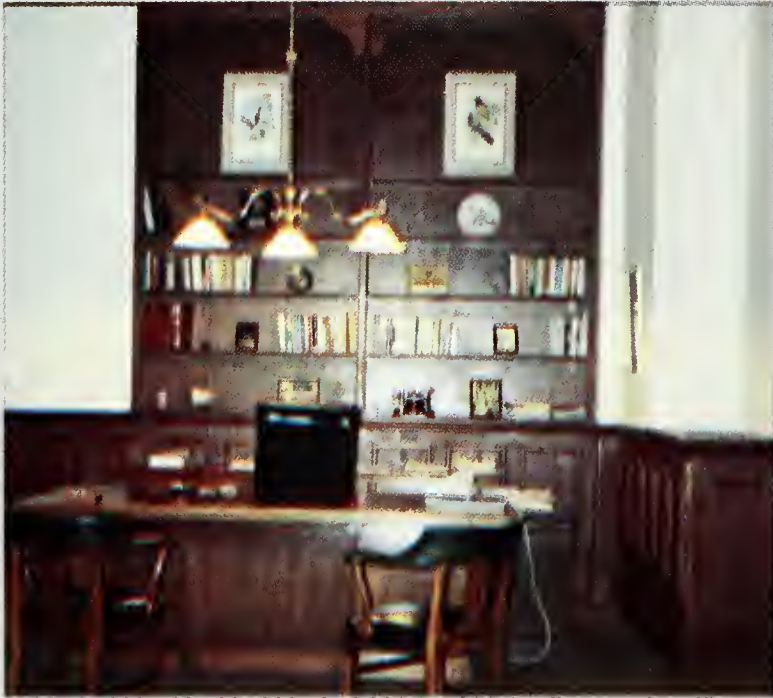

"I need to see the mountains I have to be near Old Main," these are the words of a Bethany alumna. It's amazing how much of our College lives at Bethany center around the walls of Old Main.

The reconstruction of the past few years has made that such a reality. We sat back and watched construction workers tear apart our classrooms, our hall, and our sidewalks. We suffered through make-shift classrooms and the loud noises of the hammers and saws.

But as the finishing touches are put on this building and I gaze at the large stained glass windows of Commencement Hall as the sun streams through them, I can barely remember those sounds and inconveniences. My heart almost stops . . . this is what Bethany is all about.

Old Main is the oldest collegiate structure in West Virginia and on November 9, 1984, Bethany College celebrated the completion of its age-long restoration.

Dr. Paul A. Miller of the Rochester Institute of Technology spoke on "College and Community", and several honorary plaques were unveiled.

Bethanians present gained new insights and could better appreciate what the dedication meant.

“The most happiness one has here on earth is that of giving to others.”

Grace Phillips Johnson

On October 11, 1984, Bethany dedicated the Grace Phillips Johnson Visual Arts Center, marking the first time in the history of the College that a building has been designed for visual arts instruction. The center offers students hands-on experience with computer graphics, graphic design, painting, drawing, sculpture, ceramics and television production.

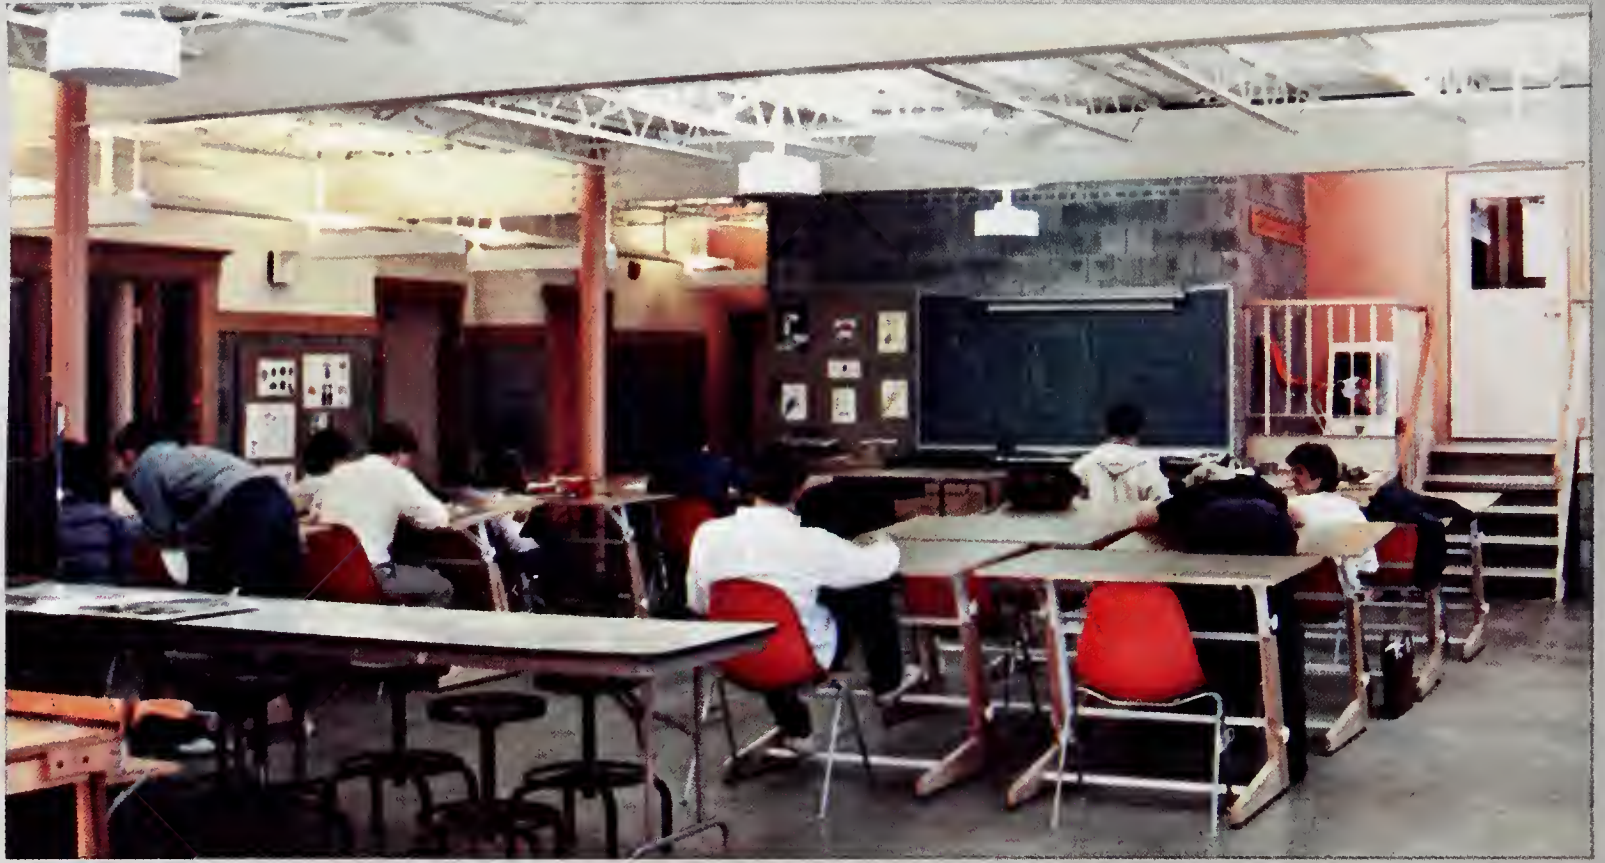

The structure was originally Irvin

Gymnasium and was used for women's intramural athletic programs. It housed both a gym and a pool.

Grace Phillips Johnson, who received an honorary degree from Bethany in 1954, made this center a reality for today's students. For many years, Phillips has been a prominent name on campus — Phillips Hall, T.W. Phillips Memorial Library, and now the new arts center.

It has often been said that, "Old Main is Bethany." These few words reflect the feelings of many Bethanians past and present. It is within the walls of Old Main that we have received our education, it is on her stairs that we sat with friends on warm fall and spring days, it is her chimes that we listened for on the hour, and it is her majestic form that welcomed us back to Bethany every time we returned and will stand strong in the years to come to greet all those

who pass by.

Bethany has gone through many changes, but its basic foundations and principles will never change. Such permanence is seen when we look at Old Main. She represents the permanent imprint that Bethany has had on the hearts of many for generations and stands strong, daring anyone to conquer her.

The door of Old Main swings open. Come through this door and enter into the lives of every Bethanian. Spend some time with the people who make the Bethany of today a place for tomorrow.

Chaplain's Office: back Luta Gordon, Judy Pyle, Vicki Fuqua, Gretchen Smith, front Doug Smith, Rev. Bill Allen, Sister Jane

Biology

Marilyn Shaver, Gary Larson, Albert Buckelew, David Koester

This year Dr. David Koester, formerly of the Eye and Ear Hospital in Pittsburgh, joined Dr. Gary Larson and Dr. Albert R. Buckelew as part of the teaching staff in the Biology Department. Also with the department during the spring semester is Mrs. Shaver, a guest professor, taking over Dr. Larson's classes while he is on sabbatical.

New equipment was added to the department this year, such as an Apple computer, a chemostat, and growth chambers for botanical and ecological studies. Most of the new equipment has been for senior projects which range from the ultra-filtration of beer to studying the nervous systems of marine animals.

Chemistry

Milton Smith Jr., Robert Paysen

The Chemistry Department offers students a thorough education in chemistry, preparing them for careers in industrial, technical, and graduate areas. The Department is experiencing many changes. This year marks the beginning of a long term coal research project and addition of an Apple computer to the department.

Senior fellow: Susan Kallquist

Communications

James W. Carty, Dr. Harold Shaver, Russell Cook, Doug Switzer

Professor Chad Skaggs

Senior fellows: Carl Birkmeyer, Kathy Taylor

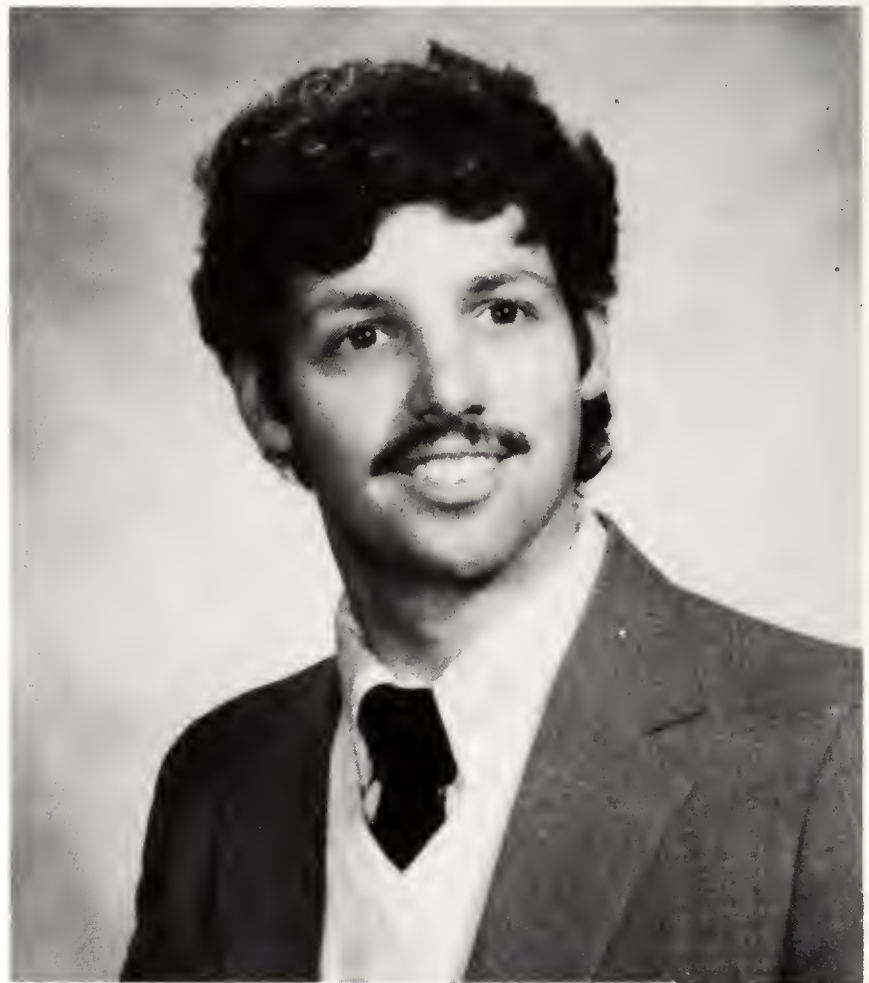

The Bethany College Communications Department is one of the largest departments on campus and continues to grow. Many new courses were added this year, concentrating on Public Relations and Advertising. The department has also seen many faculty changes as it welcomed Mr. Douglas Switzer and said goodbye to Mr. Albert "Chad" Skaggs.

New equipment will be distributed within the various specialties in the department including WBVC, TV 3, and the Tower, which could make Bethany one of the best equipped schools in the area.

Computer Science

As a new field of concentration just a couple of years old, the Computer Science Department is now coming into its own. After much juggling around for a required curriculum and subsequent electives, there is now a set progressive design of courses leading to a challenging Bachelor of Science degree or a professional core. Through the growth of the program, each year more students complete the program and graduate with a degree in Computer Science. Although limited in faculty members, the department has cleverly used professors from other departments. Despite the heavy burden, Dr. Brown has given the students interesting computer classes. The department has been complemented by a newly renovated Center for Academic Computing, a facility for use by all fields. With time and a conscientious and diligent effort, the Department of Computer Science will grow to be a strong asset for Bethany College.

Senior fellow: John Potemri

Economics

Randolph Cooley, John D. Davis, Harold Curnutte, Dr. Forrest Kirkpatrick

Senior fellow: Libby Niver

The Economics Department helps students understand how man's struggle to provide for his needs and wants in a world of limited resources is related to all of man's social, personal, and political problems. It also provides knowledge and develops proficiency in the application of analytical tools to the problems of society and business.

Education

Senior fellow: Meg Chandler

back: Ann Shelly, Annie Preis, front: Howard Seiler, Mary Komorowski, John U. Davis

Senior fellow: Pam Cloud

Susie Lemley student teaching in Wheeling.

The goal of the Education Department is to develop a teacher who is a self-directing decision maker. He or she will recognize the need for personal and professional growth, and has the skills necessary to pursue it, and is secure enough to engage in personal and professional self-evalu-

ation. The teacher will recognize the needs of students and is able to meet those needs. Finally, the teacher will have the skill and willingness to communicate, in the deepest sense of the word, with people of all ages and backgrounds.

English

The goal of the English Department is to develop and maintain the ability to write clear and effective English. The department wants to guide students toward an increased understanding and critical appreciation of their literary heritage, and help prepare them for graduate and professional study. The department also provides programs that prepare students for certification as teachers of English and Language Arts.

Senior fellow: Maura Ackerman

Senior fellow: Laurel Whitehouse

back: John Taylor, Tony Mitch, front: Helen Louise McGuffie, Larry Grimes.

Fine and Applied Arts

Bert DeVaul, Bob Funk, David Judy, Beth Dameier, Gary Kappel, Walter Kornowski, Wesley Wagner, John Taylor, William Crosbie

The Fine and Applied Arts Department draws upon the faculties and curricula of the Departments of Art, Communications, Music, Philosophy, and Theatre. Its aims are to give expression to the aesthetic unity of the various forms and modes of art, and to permit students to pursue a non-professional interest in these fields.

Foreign Language

Dr. Pauline Nelson, Deni-Noell DeFillippis, Leonora Cayard, John Maier

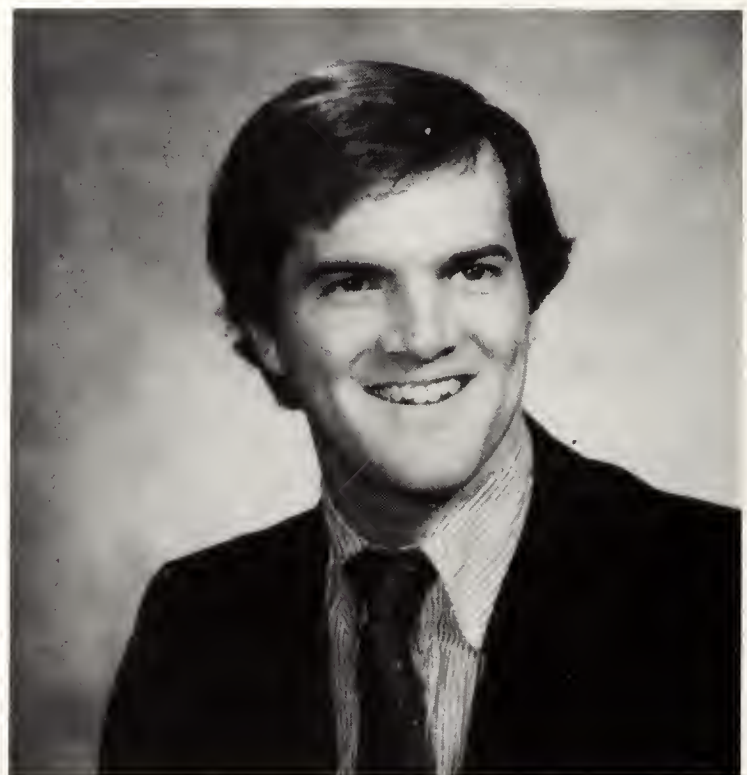

David Allen, John Maier

The goals of the Foreign Language Department are to familiarize students with the language and literature of the French, Spanish, and German speaking peoples. It helps students understand a culture other than their own and assists students in preparing for careers requiring foreign language skills. The program also provides students interested in research with a reading knowledge of a foreign language, and it helps travelers to foreign countries acquire basic conversation skills.

Gary Kappel, William Young, John Lozier

The History Department presents the origin and development of institutions and ideas. It points out the great traditions that are molding our thought and action today. It also helps one gain a better perspective of our political, economic, cultural, and social life.

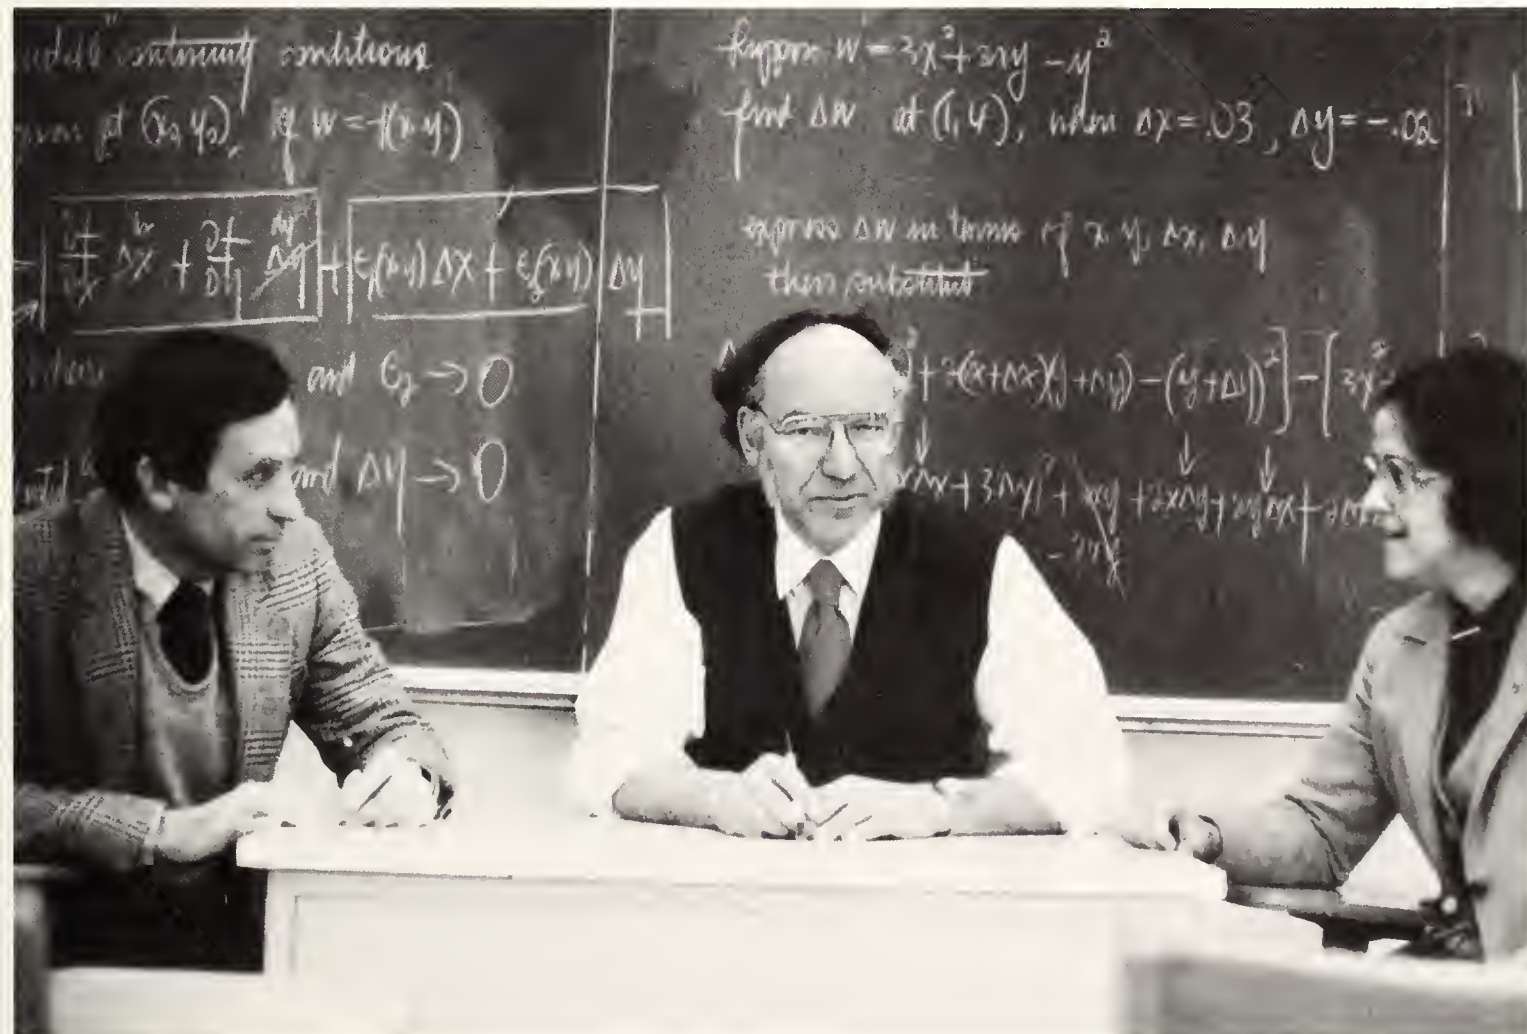

Senior Fellow: Matt Tice

Mathematics

The goal of the Mathematics Department is to provide the student with a knowledge of the foundations of mathematics. It will give the prospective teacher an understanding and appreciation of the fundamentals of elementary math. It also provides a tool for the technical student and gives the prospective grad student a foundation for later study and research.

Senior fellow: Lynn Sengewalt

Jim Allison, Dr. David Brown, Mary Komorowski

Philosophy

Dr. Stanley Becker, Dr. Robert Myers, and Dean Daniel Cobb III

The goal of the Philosophy Department is to assist the student in discovering and developing a sound basis for interpreting self and society through a careful examination of his or her beliefs, actions, and claims to knowledge. It will also serve to assist the student in becoming aware of the nature and status of philosophical problems, commitments, ideologies, and models that serve as the foundation of human life. It also provides the student who expects to pursue graduate studies in philosophy with a sound basis in the major areas of the field.

Physical Education

Senior P.E. major: Peggy Mills

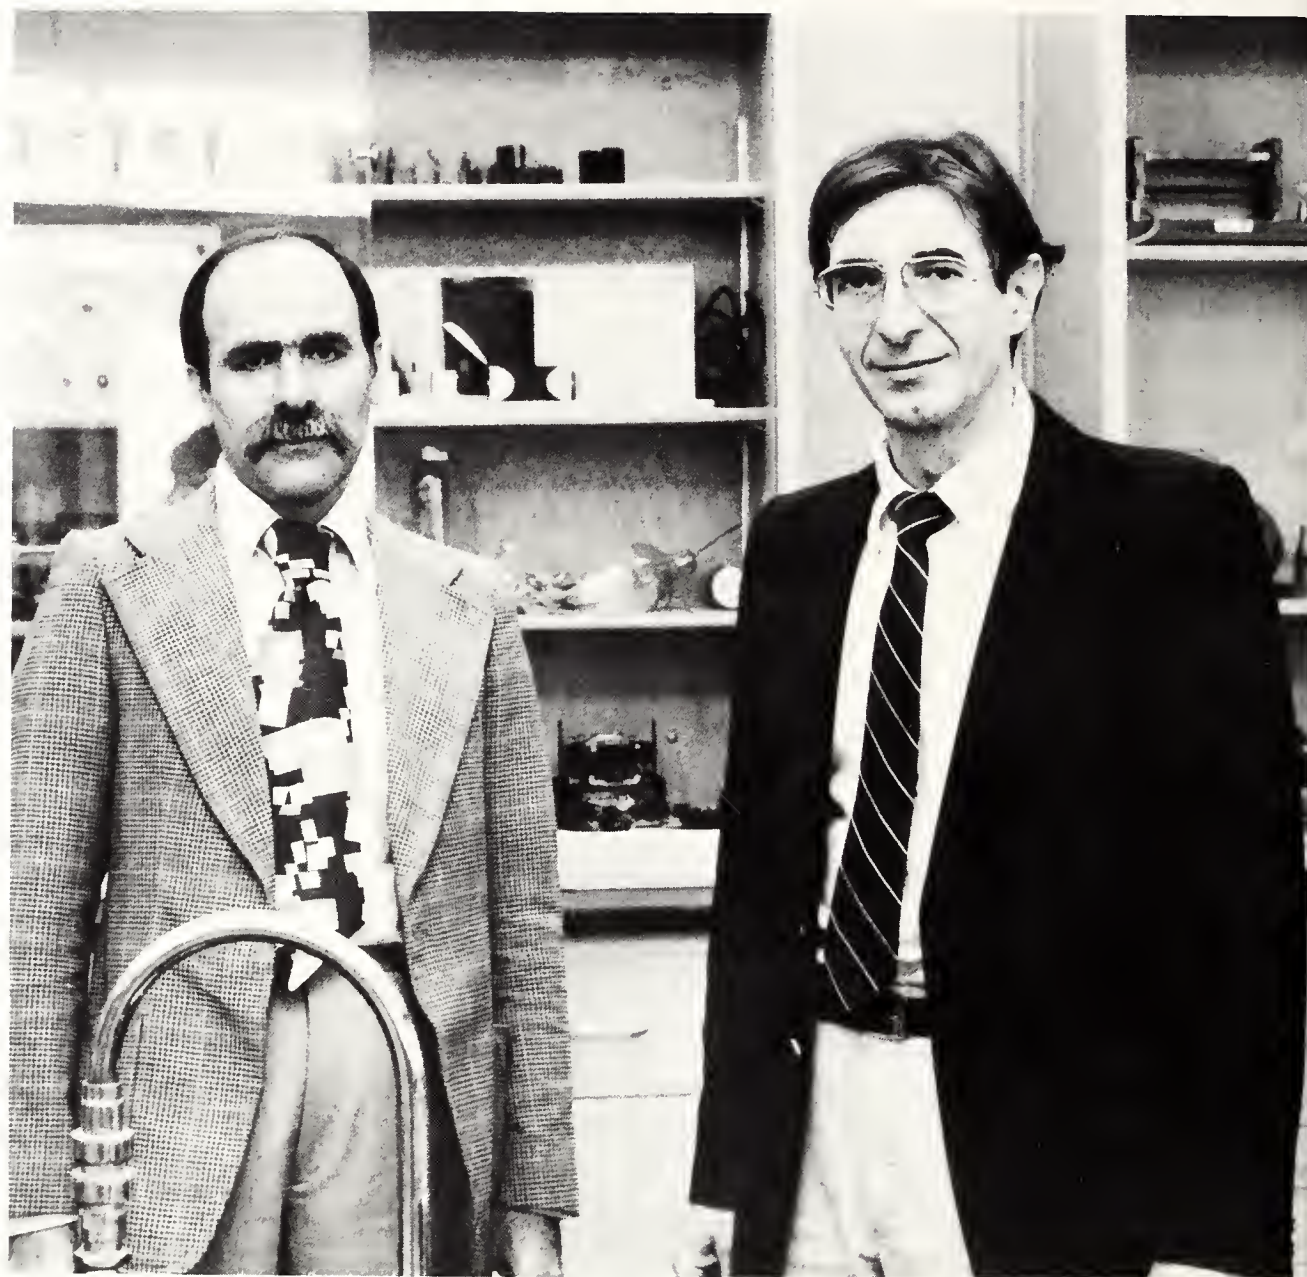

The Physical Education Department offers many avenues for all students and faculty of Bethany College. Whether your interests involve being a Physical Education major or if you just want to participate in competitive or intermural sports, the Alumni Fieldhouse is the place to be.

The classes that the Physical Education Department offers, vary from a basic fitness class to a Historical Perspective of physical education to an advanced athletic training course.

The training room is equipped with many rehabilitation devises and continues to grow with the Physical Education Department, making Bethany a more complete environment.

Front: John McGowan, Nan Carney-DeBord, Cathy Craft, Michael Calabrese, Back: Dr. David Hutter, Jim Meyers, and Jim Zalacca

Jafar Amirzodeh, Dr. Edwin Goldin

The goal of the Physics department is to introduce students to the current body of knowledge expressing the physicist's concepts of the universe and its physical laws. It also provides courses serving the needs of liberal arts students who are concentrating in physics or are interested in the physical and life sciences, medicine, optometry, therapy, engineering, or teaching.

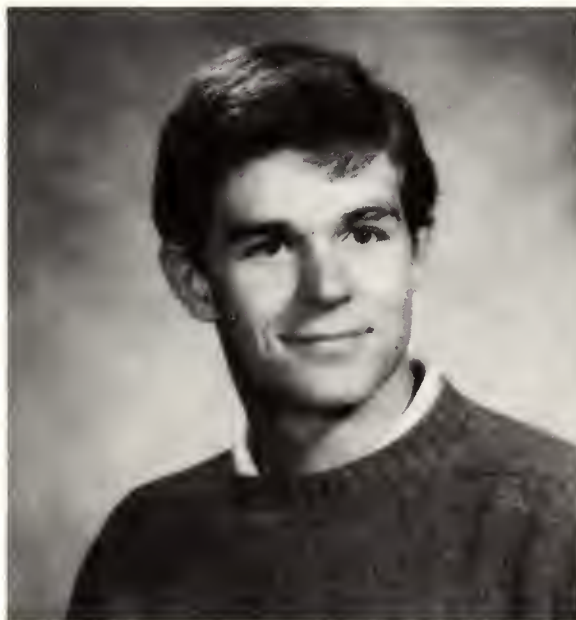

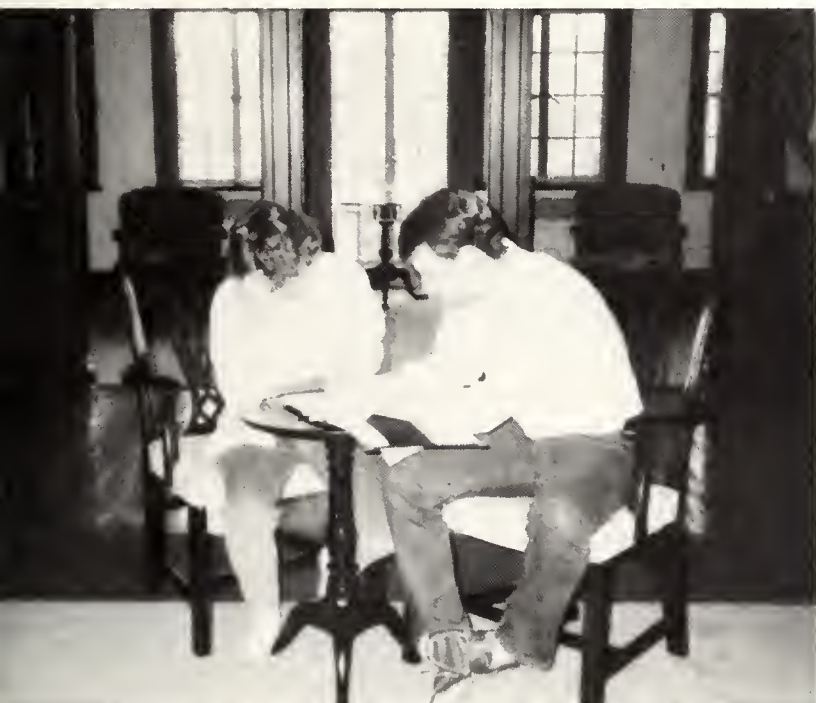

Politics and Public Policy

The Politics and Public Policy Department at Bethany has made great strides in the past several years of educating Bethany students in the fields of Public Policy, International Relations, and Pre-Law. The recent dedication of the Public Policy-Economics lounge has increased enthusiasm for the department. With many freshmen declaring Political Science as their field of concentration, the future for the department looks bright.

Dr. Albert Ossman, Jackie Delaat

Senior fellows: Leslie Kalcevic, Jeff Hartzell

Psychology

Bethany College is fortunate enough to have a psychology department staffed with highly qualified professors with diversified interests. This provides each individual with the opportunity to objectively formulate and develop ones own interests and because of this each person obtains the basis of knowledge they need to pursue a fulfilling career.

Students graduating this year with a degree in psychology are working towards career goals such as peace corps and working with children to study clinical psychology.

Dr. John Hull, Dr. Gale Thompson, Dr. Trevor Peirce

Senior Fellow: Hazel Lynn Cline

Religious Studies

Hiram Lester and Dr. Richard Kenney

Senior Religious Studies major Tom Cornell

The aim of the Religious Studies Department is a desire to continue the historic interest of the College in the intellectual, spiritual and social development of the community. Students are encouraged to join in the exploration of thought and research in the field of religious studies. Biblical studies form the

central core of departmental offerings. In addition, each student also examines the relationship between religion and culture. The personal integration of knowledge and faith for an understanding and appreciation of value systems is a conscious goal of the department.

Sociology & Social Work

Dr. Marc Olshan, Dr. Lynn Adkins, Katherine Coram

The Bethany College Social Work program prepares students for beginning Social Work practice in the delivery of social services. The social worker functions in a variety of roles and settings. This is done through field placement and the Social Work club. Social Workers gain experience in individual and group services, research, planning, and organizing. The educational preparation for Social Work practice requires a broad spectrum of learning,

self-awareness and a social philosophy compatible with the value base of the profession. The Social Worker is committed to an ever improving quality of life for all peoples and assumes a responsibility for making a positive contribution to society beyond the requirements of a work setting. The department has been reorganizing with a new faculty member, Kathy Coram. Dr. Lynn Adkins, is also back from a semester away in Europe.

Outstanding Senior

Maura Ackerman was awarded the Frances O. Carter Award for Outstanding Senior this year.

Each year the Honors Committee selects one senior whom they feel has made the most outstanding contribution to Bethany College to receive this award.

Maura is an English major and the Senior Fellow of the department. She is a member of Gamma Sigma Kappa (scholastic honor society), Kalon, Society for Collegiate Journalists, Newmans and Phi Mu as well as many other activities on campus.

Outstanding Juniors

Chris Berry received the W.F. Kennedy Prize as Outstanding Junior Man and Tris Nemec was named the Pittsburgh Bethany College Club Award Outstanding Junior Woman for 1985. Both were selected by the Honors Committee based on leadership, character, conduct and scholarship.

Chris is a Political Science and Education major and a member of Pi Gamma Mu, Alpha Psi Omega and Concert Choir. He is active in Theater, the Public Affairs Club and has held many offices in the Phi Kappa Tau Fraternity. Tris is a Communications major with a core in Management. She is active in Phi Mu and Midweek and a member of Kalon, Gamma Sigma Kappa and the Woman's Soccer Team.

Professor of the Year

Professor John Hull was named as the first recipient of the Richard B. Kenney Award for outstanding professor of the year on April 29, 1985.

The award is based on teaching abilities, community support and academic advising. While presenting the award, Professor Kenney spoke of Hull's strong family life and

great spiritual foundations. The nominees for the award were chosen by a selection committee made up of the senior fellows of each department. The committee nominated five faculty members for the award and the student body voted on these five. CONGRATULATIONS & GOOD JOB DR. HULL!!!!

Housing

Alpha Sigma Phi

back J. Goodman, S. Parrott, D. Strnisa, M. Butz, J. Tomko, E. Crossley, second row T. Horton, M. Buxton, B. Overly, A. Kellis, J. Franceus, D. Snyder, K. Bent, front J.P. Fad, S. Welch, M. Teague

What a great year, we're on our way up! We have the top pledges — nineteen of them. We'll miss our seniors. Congratulations to you Squid, finally graduating with a half a decade of bid days under your belt.

The house rocked with Otter, Tomko, and Parrot. The Beach Party excelled and we furthered our reputation as the "party guys" on campus with regular MKUs to thrill the girls on the hill. We partied in the Ghetto, the Bat Cave, and the Penthouse.

We beat Beta because we're the best and we would NEVAH have a grain party or trash the living room out back. We love Nufu. Seriously, the ole girl is on her way up, yet through it all the brothers remain unchanged by the force that brought us together.

Alpha Xi Delta

front: A. Mosier, L. Boyer, L. Hawkins, D. Leposke, second row: S. Hendershot, K. Stoner, M. Arotti, M. Prime, R. Bailey, C. Kindya, third row: B.A. Kirby, J. Hare, E. Cowhey, G. Demasi, S. Prime, K. Heyde, L. Klicick, B. Valuska, K. McHugh, H. McGuigan, L. Mayer, C. Cahill, K. Korab, back: K. Denfield, S. Kelly, C. Prime, L. Moren, C. Melko, L. Schaffer

... and so hath passed another year at the Alpha Xi Delta house. Phrases such as "let's bag it!" and "HOO-AAH!" rocked the house. And then there was **IMPORT NIGHT** — we're there! We raged out, even with **MAGIC SHORTS??!** But who's sleeping in the lounge? Now, now, bad attitude!

It was time for **EUCHRE ANONYMOUS** and counseling Jen and Kim. We played **MASTER**

BUNNY and enjoyed **M&C's**, the **Gonzo Show**, and our **Sigma Nu Super Bowl**. Diane, Lisa and Kathy were in a barroom brawl?? Hey guys, "Come out and play," but watch out for those windows!

The tradition goes on with the late nights at **Flow** and **MKU** — will you love me forever?! Three cheers to **XI Best Pledge Class!!** Good Luck to our seniors! We'll miss you, **YOU'RE OUTA HERE!!!**

Beta Theta Pi

M.Bato, G.Stefan, T.Caruso, K.Karovic, J.Hurl, D.Wytiaz, P.Megna, R.Organ, B.Woods, J.Coma, E.Chuba, C.Frisina, D.Corella, G.Cameron, L.LaDonne, D.Chernicky, M.Jacobs, E.Weisenberger, L.Lamatrice, V.Murphy, B.Huff, J.Catrone

BETA THETA PI: A lot of people think we are a bunch of dumb jocks down here, but in 1984-85 we achieved academic greatness. We met and conquered all the challenges that were set before us. We set a world record, pledged 28 freshmen, and placed brothers in leadership positions on campus. We look forward to the future and all the challenges and opportunities that lie before us.

Campbell

S. Richardson, K. Powell, K. Vandergrift, F. Elston, A. Gladstone, D. Zuercher, C. Tuthill, N. Trout, M. Crayton, J. Wells, G. McCloy, E. McCormick, K. Howe, H. Johnston, K. Schenker, P. Reynolds, A. Harrow, J. Vile, C. Yu, T. Jones, K. Menegus, S. Rohaly, D. Rogers, L. Bollwig, S. Wood, B. Blade

The women of Campbell Hall would like to welcome you to their home. A place where independents and greeks live together, watching "All My Kids" and waiting for the week-nights to party. The Haunted House was a success and so were the "Wellsburg Crew's" Saturday night lounge parties.

It's a full house at Campbell, but not too many things have changed . . . Thursday night at Cabaret, gang showers, hangin' with Flow, and our favorite neighbors — B & G. So, here is to the Country Club and hey — "Merry Perry!!"

Delta Tau Delta

J. Marsteller, J. Potemri, K. Lucas, R. Herman, S. Neal, K. Fisher, J. Silvestri, B. Wiedholz, D. Sninsky, E. Jerpe, A. Larson, D. Tucker, A. Johnson, T. Weiss

The Delt House — a deep emotional experience. It is good though, a place where day is night and night is day. The house took on seven new pledges and is anxious to continue its tradition; good times at "Heaven-n-Hell," sunbathing, and going to the bar for "just two." The big question up at the lone house on the hill still remains . . . "what's a comp?"

Hagerman

S.Adams, R.Perlman, D.Dicenzo, B.Peters, R.Shelburne, J.Mauro, J.Grocholski, T.Perella, P.Shelly, S.Raider, F.Barret, M.Belardia

Hagerman . . . "M" moves to the hill. A new location has not dampened the spirit of the place though. The parties continue, but now they're in B.T.'s room, and it's a little harder to hold onto the tap. The basic questions still exist: Gotta smoke? Is there a game or a *meeting* tonight Jeff? Can I borrow a buck for the bar? Rick, did your check come yet? Our last words of wisdom to you all are . . . "I'M BORED!"

Harlan Hall

S. Smith, A. Adair, A. McLaughlin, A. Gerry, J. Henrickson, A. Merideth, J. Ibaugh, M. Roman, J. Philipp, S. Kallquist, C. Cahill, J. Grueser, B. Thomas, B. Benatti, A. Nicholson, M. McGrainor

Harlan Hall — Where else do you get to be moments from the caf, right next to Morlan, have your own private shrink right downstairs and a small enough living community that you can all bond together in friendship?

Our first reaction might have been jealousy towards Phillips, but now we know we'd love it no other way! Our Pizza Hut runs, fun with the Sigma Nu's and KA's, and even struggling through interdisc. together made our freshman year in Harlan the best!

Kappa Alpha

1984-85 has not been an easy year for the brothers of Kappa Alpha. The death of our brother Dave "Mac" McAuley took us by surprise and hit us hard. He may no longer be with us physically, but he will always be a part of our memories.

And memories the KA's do have of the 1984-85 Bethany year. We housed a family of dogs and grew attached to Dixie. The Gold Fish Party was bigger and better than ever, and once again we were the Campus Keg Kings.

Although it was hard times that brought us together, it was an eventful year with memories that will last a lifetime.

Hamtil, M. Ault, D. Mallino, S. Moore, A. Rupprecht, V. Struck, Sargeant, A. Barnes, B. Neice, J. Burrows, M. Barlow, J. Gallegos, R. Brown, K. Schiffer, S. Espenshade, H. Fortis, R. Bek, M. Nowalsk.

K. Alexander, P. Arcuri, J. Brandt, E. Campbell, M. Chandler, L. Cline, P. Cloud, C. Dispenziere, M. Gaines, L. Gay, S. Harr, D. Jackson, J. Kottler, I. Krause, J. Lamison, S. Livingston, J. Melani, M. Miklas, L. Miggemyer, R. Patyna, J. Patz, K. Popp, L. Putney, T. Robinson, E. Tobiczky, M. Toth, Williams.

Kappa Delta

Kappa Delta is a home where KD's live together and where girls just want to have fun!

After council elections, Judy assumed the position of head and welcomed Squirt, Mouth, and Dizzy into our circle.

Despite our student teachers who rose with the sun, we still outdid ourselves with tongues of the slip which began with a paint of coat. Speaking of coats, that going to a funeral feeling on comps morning soon disappeared when Jill donned a gorilla suit.

Whatever happens, where ever we go in A.O.T., if you look somewhere over the rainbow — KD lies; where if you can let your wishes roam beyond the rainbow, you have found your home.

McDiarmid

L. Whalan, Y. Rivera, C. Pavlik, M. Smusz, J. Angell, L. Wingard, L. Sengewalt, C. Casado, B. Cuesta, M. Dracopulis, C. Vukovich, S. Brahler, R. Butler, L. Kosanovic

McDiarmid House: all independent, all different, all the same, a nice blend. We've got a greek, an angell, and would you believe Jane Fonda, too. With the senior project marathon, Mary Lou fan club and Santa's secret six, there's never a dull moment in the house. While Laurie asked the musical question "How much is that man in the window?" and Carol left her Mark in England, the house had a great year. But, the question still remains: "Is Dr. Olshan allowed to advise a house of women?"

Heritage "FLOW"

Heritage, alias "Flow" is the daily late-night keg and Cabaret's new management. The Flow boys are busy raising bucks doing tuck-ins, but why? To make Bethany rock at the 1985 Block Party. We began the year with our "Dress as Your Favorite Dead Person" party, and continued the year with good music, good beer, and good times. Oh, yeah, the overnights with Kalli, the "Killer B," and our buddy Virginia.

Phillips girls will always carry with them special memories of their freshman year. Their first day of Aladdin food, the first frat party, the first big test, pulling the first all-nighter, homecoming, care-packages from home, late night B.S. sessions, boyfriends and one-night stands, "flush," sneaking into Bubbas, finding a date for formal, phone bills, Rush, Bidday, and the smiles and tears they brought. We patiently awaited the infamous Snow Carnival, Wellsburg runs, Spring Fever and finals, But we will especially remember all the friends we made along the way! Here is to Phillips Dorm 84-85 and to all that were there.

Phi Mu

Leaper, P. Mills, B. Adkins, K. Witt, M. J. Palmieri, D. Corkery, R. Thompson, M. Berwinkle, T. Dellovade, M. Soures, D. Ernst, L. Hartung, A. Landers, K. Ashbaugh, C. Latona, B. Reisberg, B. Lorber, B. Fusciello, M. Mulhern, L. Lindemann, G. Habetler, J. Owens, E. Celona, D. Hess, K. Derk, L. Krady, D. Ferraro, A. Chillingworth, L. Berger, K. Tranquil, G. Celona, T. Nemeč, B. Book, J.L. Anderson, C. Carpezi, D. Hare

1984 brought the celebration of Phi Mu's 60th year on the Bethany Campus and visits from our "special friends" Adena, Kitty, and Kalli.

Even though missing four sisters, the house pulled close together to help each other through the year. Many of the girls took on leadership positions around campus, and the house became their refuge after a hard day.

Rush and pledging proved to be fun and successful. 18 new girls joined in the good times with "Larry Lookouts," parties in the cube, "Bye Bye Miss American Pie", and slumber parties in the lounge.

With 15 seniors leaving this spring, things will be different. Goodluck girls — we love you and we'll miss you! One last toast to Mother Earth!!?

Phi Kappa Tau

The Phi Kappa "slamma" Tau house, the only frat on sorority hill, saw an exciting year as they "Swayed to the Lei" at Luau '84 and picked up four new brothers in the fall. At Phi Tau you never have to wonder "what's shoppnin'" but there is always purple grain and gator grog.

The second semester brought the 3 wise men returning to their homeland and 72 sweaters from England. 6 and 9 joined the House on Bid Day all knowing . . . "you gotta go the whole nine yards!!!"

J. Geisell, B. Maine, J. Berkhard, D. Lees, J. Hartzell, D. McKay, S. McBride, C. Caraci, E. Garrett, J. R. Watson, J. Watt, J. Gray, J. O'Sullivan, D. Lavoie, J. Soro, K. Schweiger, P. Sandercox, M. Kemp

Sigma Nu

1984-85 was a good year for Sigma Nu. Gatoring is still the thing to do, which helped make our all-campus parties the place to be. Bowery Brawl (liquor in the front poker in the rear,) White Rose Formal, and Fair Street Block Party all proved to be a good time. Sigma Nu's are leaders all over campus SBOG president Craig Wagner, Chief Justice Jim Wolf, Senior Fellows Matt Tice and Jeff Hartzell, three RA's and two studying abroad. The house took a great bunch of guys for pledges and 1985-86 looks like an even better year. Best of luck to the graduating seniors who have made Sigma Nu the Fraternity it is today.

D. Newman, P. Caldwell, J. Roschella, T. Ciancaglini, C. Barry, J. Oberlin, J. P. Silk, D. Bauer, J. Stoner, K. Ohrman, B. Leonatti, C. Nobel, R. Gemma, T. Skena, T. Jones, E. O'dea, M. Held, K. Roth, D. Marshall.

Woolery

M.Keene, N.Arminio, M.Castilow, F.Yankovich, J.Koontz, R.Craighten, J.Stephens, R.Taflan, A.Wells, M.Hoenig, R.Druschel, J.Clarchik, C.Herrick, G.Guiser, M.Jordan

Zeta Tau Alpha

ZTA is not just a housing unit, it is a home. The walls enclose a group of diverse girls who enjoy having a good time together. Many nights were filled with euchar games, Trivial Pursuit, study breaks and Mo jokes!

The year started off well. Zeta's tied for first place in Greek Sing. Then Lynn was crowned Homecoming Queen, Genise was married in Greece, the European travelers came home, and Bid Day brought 18 awesome pledges, who were "party animals."

The Zeta's continue to move on as president Joan gave her office to Michelle, and Suzanne replaced Buff as pledge trainer. Upon graduation the seniors will be missed, but no matter what, Zeta will always be home.

Men's Soccer

The 1984 Bethany Soccer Team ended its season 4th in the nation and 1st in the Mid-Atlantic region. The team claimed its 13th President's Athletic Conference title.

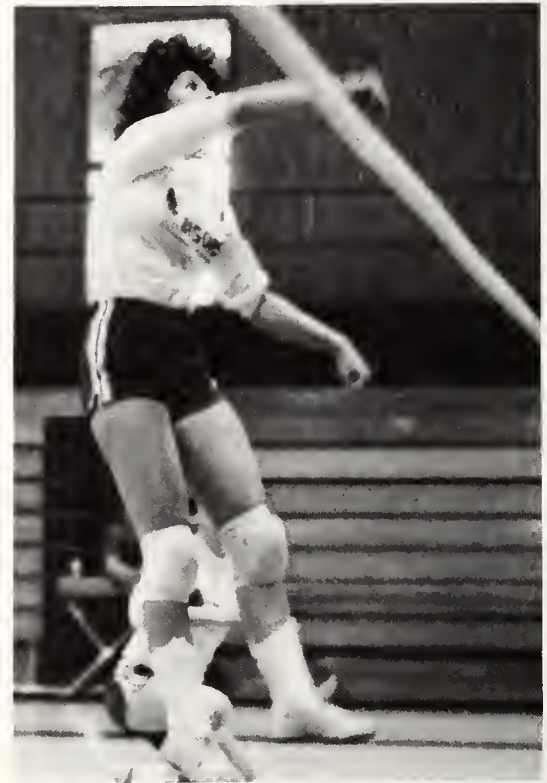

Junior Striker Mike Ault was named to the All-American 2nd team and captured the PAC Most Valuable Player award. Four players were named to the All-American South Team Junior Allan Barnes and Ault were placed on the 1st team, while Senior Paul McGuckin and Junior Brad Barlow made the 2nd team. Placed on the All-PAC team were Ault, Barnes, Barlow, and Freshman Scott Landry .

Ault broke the Bethany singles scoring record of 18 goals with 25 goals this season. Junior Bobby Campbell registered 13 shutouts in 18 games, allowing only .44 goals a game.

Women's Volleyball

The 1984 Women's Volleyball Team saw great success this year under the leadership of co-captains Laurie Battaglia and Heidi McGuigan and seniors Jean Coger and Laura Parachini.

With the talents of three freshmen and the strength of all but one of last year's starter's, the team captured second place in the Pennwood West Conference. They went into the final tournament as the underdog and took second in the conference to C.M.U.

Freshmen Vicki Hill and Alicia Young were named to the tournament All Star First team and Joanna Wells to the second team.

Women's Soccer

Back: E. Finn, C. Beyer, R. Fornadel, D. Lucas, Middle: T. Nemec, K. Stoner, D. Schartz, S. Ryland, S. Richardson. Front: D. Corkery, B. Lorber, B. Benatti, P. Hackett, K. Krinock.

The 1984 Women's Soccer Team finished the season with an 7-3-2 record. It was a successful year for the girls under the leadership of Coach Paul Kingman and tri-captains Suzie Sarver, Kim Krinock, and Chris Beyer. Hal Newman served as the team's trainer and Eileen Finn and Dana Schwartz did most of the organizational work. The girls ended their season placing first at the Ohio Valley Women's Soccer Tournament.

The team came close to going varsity this year. Their record, participation and long-term involvement on campus were all factors in this, however, lack of funding made it unfeasible. The club will pursue their efforts to become a varsity team next year.

The 1984 Bethany Bison Football team saw its share of ups and downs as it finished its campaign with a disappointing 3-6 overall, and 3-3 in the President's Athletic Conference under third-year Head Coach Wally Neel.

The '84 season was broken down into three smaller streaks of three games each. The Bisons started off the season slow and lost their first three contests, then they surged back to win their next three and were battling for the PAC championship, before those hopes were shattered with losses in the final three contest.

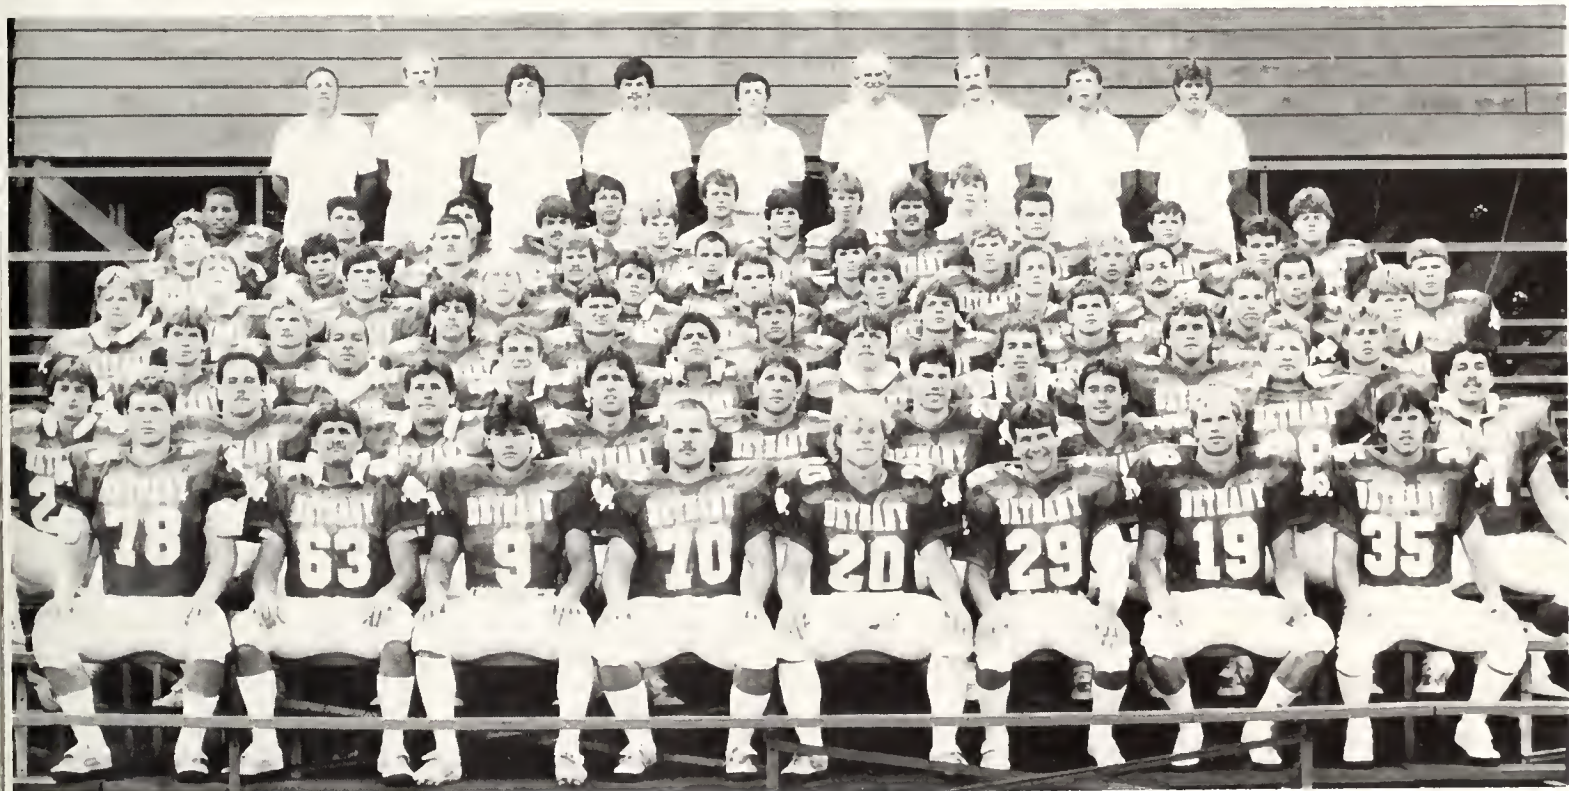

Six members of the Bison squad were named to the PAC All-Star team. Making the first team were quarterback Nick Arminio, lineman Mike Jacobs, and linebacker Mike Berlardia. Second team honors went to wide receiver Neal Nola, running back Glenn Simon, and defensive back Mike Castilow.

RUNNERS STRIVE FOR INDIVIDUAL GOALS

The cross country team became an example of what being a part of a team really means. Due to injuries and a small team, they were unable to qualify for any meets, but they participated anyway. The goals became individual ones and they were accomplished. Captain Ric Soto had very positive feelings about the team members and what they accomplished.

Ken Clark, despite injuries, had a good season and Paul Martindale did not let the lack of team qualification stop him from finishing out the season. The most improved team member was Tom Roberts, only a freshman, who improved his time by three minutes. Of course, Coach McGowan was there the whole season to keep the runners enthusiasm going.

84-85 SWIM TEAM RENEWS COMMITMENT

The excitement about the 84-85 swim team, by both the members and the fans, more than overshadowed their final scoreboard which does not reflect the team's ability at all. Old and new swimmers, both men and women, joined together to make this season a building season in more ways than one.

Although the team lost a few members who started the season, the final count, not including injury, was a doubling in the team from last year. There were many first year swimmers and none of these had ever swum competitively before.

With the guidance of Co-Captains Kip Gillet and Dave Tucker with Dianne Corkery as the women's captain, there was a renewed commitment to the team. This unification was brought about greatly by the enthusiasm of the first-year swimmers.

The divers, a relatively new aspect of the team, did a fabulous job. Together, the whole team added 21 points to last year's PAC record.

All the swimmers are extremely excited about the prospects for next year. Hopefully, all the additions and changes will allow the record to finally reflect the team's talent.

Co-Captains Kip Gillet and Dave Tucker

Field Hockey

The Lady Bisons Field Hockey Team put "Bethany" in the limelight with their outstanding season this year. Ranked 5th in the southwest region they closed their season with a 12-2 record. The team started young with eight freshmen anxiously awaiting their first college experience. During a seven game winning streak the freshmen learned from and adjusted well to the upperclass team members. This made the season quite enjoyable and memorable for all. "I Get Excited," a walk down 88 to Wheeling, hangin' at the gas station, Oglebay and Farrells are but a few of the memories that bring a smile. The team hurts with the loss of four starting seniors, but with dedication and hard work they can make next year's season just as great.

Yea, We're 12 'n 2!

Women's LaCrosse

Jenn Mastors, Kari Tranquil and Jane Gallant play attentive defense.

Although the women's lacrosse team faced a lot of problems, the women had a lot to be happy about this season. Coaches Beth Ensor and Kathy Burns had to keep the team morale up through a lot of game cancellations because of weather and lack of transportation. Yet, they managed to work as a team. The women were more competitive while still maintaining a level of good fun. There were quite a few girls who shone this season and among them was Susie Sarver who did well both offensively and defensively. Amy Gerry had a good season, as did a newcomer to the sport, Jessica Laraba. The team is looking forward to a better season next spring.

**LOTS OF WINS
LOTS OF FUN!**

Men's Lacrosse

Come Spring time at Bethany, there is Lacrosse fever. The men's team has quite a following and, under the leadership of Coach and President Don McKay, the club team had quite a few wins. The team is composed of a lot of diverse guys who look like they have a lot of fun to make up for a lot of bruises.

Don McKay was the leading scorer and Ross Brown had a very good season. The team had several meets and looks forward to another great season next year.

TEAM BATTLES TOUGH SCHEDULE

P. Kemp had an outstanding season.

The 84-85 men's Basketball team had to struggle against some pretty tough teams which can account for the losing season. But, this was another story of a team that deserved to win. The men worked well together and had great rapport with one another. They also had a very strong offense. Due partly to the tough schedule, they unfortunately didn't pull off as many wins as they would have liked.

Despite the record, there were some players that really shined. Frank Yankovich, a junior, did extremely well and senior Peter Kemp ended his last season playing for the Bisons really excelling for the team. Both men added greatly to the overall performance of the team.

With this past years schedule, which included a game against Navy, and the prospect of a lot of returning freshmen, the team looks forward to improving their record next year.

Top l-r: B. Brennan, Z. Beegle, J. Hopkins, P. Shelly, R. Druschel, M. Kemp, F. Yankovich, S. Adams

YOUNG TEAM GAINS EXPERIENCE

The 4-16 record that the women's Basketball team ended its season with does not reflect the true caliber of ball playing that the squad was capable of.

The team was a young team with only three seniors, six sophomores and three freshmen. Battling inexperience and injuries, the women managed a fifth place finish in the PAC; this being their first year included in this conference. This season concludes Bethany's involvement in the Pennwood West Conference.

Sophomore Dianne Hess led the team throughout the year not only in her leadership role as a tri-captain but also as the team's leading scorer and rebounder. Seniors Robin Thompson and Ginny Ridgway filled the other two captains positions.

Four Bisons received honors for their play this year. Hess was named to the ALL-PAC first team and sophomores Stacy Matulewicz and Joanna Wells were named to the first team for the Pennwood West Conference. Senior Robin Thompson was also named to the first team for PWC.

The team managed to stick together through some very rough games and experiences, but the memories they shared more than make up for all the losses they had on their record.

D. Hess had an outstanding season as leading scorer.

R. Thompson served as a tri-captain this year.

Top l-r: Coach Giarusso, Coach Carney-Debord, R. Thompson, G. Ridgway, C. Beyer, J. Gruesser, M. Young, R. Duffy, C. Craft, T. Verrone, B. Church Bottom: S. Matulewicz, M. Crayton, D. Hess, J. Anderson, J. Wells, J. Coger, C. Brokaw, B. Kushner.

Ginny Ridgway rounded out the tri-captains

TEAM REACHES .500 SEASON

Top l-r: J. Koenig, T. McNicol, J. Brown, J.R. Watson, Coach Calabrese. Bottom: A. Cararo, B. Cook, B. Brosh.

What initially was to be a rebuilding year for the tennis team ended up being the first .500 season in three years.

The Bisons threw away their tennis towels and ended the 1985 season with a surprising fourth place finish in the PACs. Team members Al Cararo, Bill Cook, J.R. Watson, Jim Brown, Tim McNicol, Kevin Guskewitz, Jim "Gomez" Koenig, and Captain senior Bob Brosh playing with a loss of Division One Pitt 9-0 and ended it with a 9-0 victory over St. Vincent College.

In between saw freshmen Al Cararo and Tim McNicol complete perfect regular season conference records.

The team, under the leadership of Mike Calabrese, will be a team to be reckoned with in 1986. The Bisons will have five singles players returning for the season.

Captain Bob Brosh added the leadership dimension to the team.

Top: Coach Meyer, B. Bloder, Z. Beegle, K. Roth, B. Linkesh, J. Como, C. Lowe, S. Fortunato, D. Gregory, K. Schiffer.
Middle: G. Warner, B. Huff, S. Pedro, T. Radkin, M. Hoeniger, B. Powell, J. Fayak.
Front: Jerry Burkhard, Ed Chuba — Captains

Bison Baseball this year was marked as a rebuilding year with Bethany only starting two seniors and one junior. Coach Meyer considered the year as a springboard for the 1986 season. The inexperience of this year will be the experience for next year. Captains for the season were seniors Jerry Burkhard and Ed Chuba. The batting leaders were sophomore Bill Huff and freshman Bob Bloder. Charlie Lower and Keith Roth handled most of the pitching duties. Bethany should look for great things from next year's matured team.

**LEADERSHIP EFFORT
WIDESPREAD**

M. Barndt was an enthusiastic trainer.

Captains M. Berwinkle and P. Chamberlain, along with Coach Carney-Debord provided the base for leadership.

Top l-r: J. Potemri, M. Crayton, R. Duffy, H. McGuigan, M. Roman, C. Craft, Coach Carney-Debord. Middle: R. Harris, K. Hyde, M. Goodrich, M. Gains, M. Barndt. Bottom: J. Coger, M. McGainor, K. Yettito, M. Berwinkle, P. Chamberlain.

Freshman, K. Yettito was the most valuable outfielder.

The 1985 softball team ended its season 11-11 and as the PWC Champs. Undefeated in the conference, the team's highlight was the game against West Liberty. Throughout the season, there was excellent team effort. Although the Captains provided great leadership, it was not limited to just them. There was wide spread leadership. With a tough schedule, the team showed exceptionally well with the young pitching squad. Missy Goodrich received the coaching award and Rosette Harris was given the MVP award. The team is young and looks forward to great things next year.

TEAM HAS FEW MEETS

Although there were a lot of set backs for the track team this year, the team was large and quite a few men and one woman placed in the PACs. Captain Nick Arminio provided the leadership and also qualified for National's in the javelin throw.

The team only had four meets which didn't allow much room to improve. Although they lost all of their meets, quite a few members decided to go on to the PACs, reflecting the team spirit. The girl's team started out with four members, but only one decided to go on to PACs, Stephanie Tomczyk. It was the first time during the season she had competed against other girls. The team hopes for more meets next year as well as more wins.

Top l-r: F. Marker, S. Wiehr, E. Smith, J. Phillips, R. Cicchino, T. Gooch, R. Headly, R. Brown, N. Arminio, D. Johnson, A. Offield, R. Soto, S. Tomczyk.

Captain Nick Arminio qualified for the National's in javelin.

Organizations

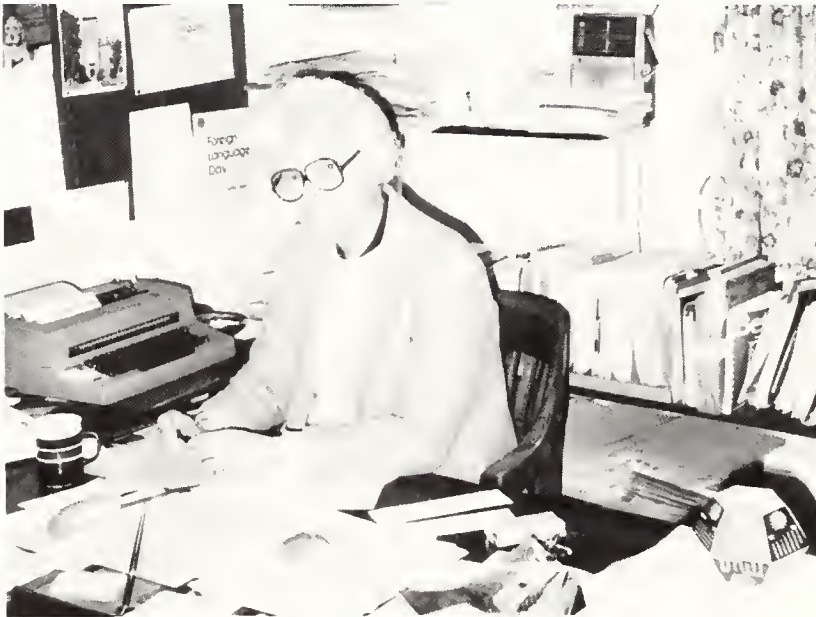

The Bethanian

Like the theme of this year's Bethanian, the yearbook itself has gone through a renaissance. There were small changes made within the staff and for the first time a professional photographer was brought in to take senior portraits. Along with the changes came complications and it sometimes seemed a 48 hour day was needed the night before a deadline.

The staff was relatively young this year with most members being first-timers. Freshmen Missy Purdy, Jane Gallant, Julie Hoskins, Sue Hurwitz, and Tom Roberts were our rookie photographers aiding upperclassmen Jim Porter, Missy Fabbro, Marcy Chubet, Tracy Verrone and Gail Habetler. Someday we'll look back on the year with a smile. We hope that the 1985 *Bethanian* will provide you with cherished memories and smiles in the years to come.

D. Ferraro, S. Livingston, K. Taylor, T. Nemec, M. Purdy, G. Habetler and L. Krady.

Advisor Ruth Westlake . . . thanks.

Harbinger

The Harbinger is a literary magazine which annually publishes the creative writing, photography and art work of Bethany students and faculty.

M. Finch, J. Henrickson, J. Ibaugh, C. Reynolds, L. Whalen, R. Craighten, L. Wingard

Folio

The Folio magazine shares the opportunities, concerns, and activities of the people at Bethany College. Students are chosen to write feature articles, edit the copy and take pictures to capture the essence of the story message the editor is trying to communicate to her readers. It is the editor's job to stimulate thought, imagination and energy into the staff so as to increase the effectiveness of the publication.

M. Carter, S. Livingston, H. Busse, R. Cardinale, B. Fuscillo, L. Schmidt, J. Porter, and C. Blair.

Tower

A campus newspaper doesn't just report on their college's and community news, features and sports. It confronts and explores into the controversial issues concerning its readers. However, *The Tower* doesn't only exist on these elements. It takes the dedicated work of its staff and faculty advisor to maintain a quality newspaper. This devotion has upgraded the reputation of *The Tower* as being a source of truth in many campus issues.

Kneeling: Evelyn del Cerro and Matt Mastrangelo

Our little 10 watt station hit the airways on Jan. 25, 1985, with an effective radiated power of 1100 watts. The new WVBC kicked off with an Open House for faculty and guests and a 52-hour Music Marathon. We received over a hundred promotional albums to give away to our new listeners . . . ones all over the upper Ohio Valley! Thanks to our alumni association, The Friends of WVBC, Dean Cobb and the students for being so wonderful!

TU 3

TV 3 maintained a regular program schedule, despite moving to our new studios in the Grace Phillips Johnson Visual Arts Center. Two programs aired first semester and four during the second semester. TV 3 also began a 24-hour teletext service which provided news and information to anyone who received the cable system. The past year provided an important start for TV 3 as we began producing shows of high quality.

SCJ

The Society for Collegiate Journalists is a national honor society for collegiate mass communications. Its purpose is to elevate the cause of mass communications on the college level, to teach proper ethics, techniques and mechanics of good communications, to encourage students to participate in campus media, to foster the welfare of the student media, and to recognize and reward those accomplishments in campus communications. This year the Bethany chapter listened to several speakers, inducted many new members, and had the opportunity to attend a national convention of SCJ at Franklin College in Indiana.

Lambda Iota Tau

As Bethany's "lit" club and charter member of the national honor society of the same name, Lambda Iota Tau helps students experience literature and the culture from which the literature originates. This year's experiences include a Guy Fawkes bonfire, a Christmas party with Dylan Thomas, and a screening of that classic tear-jerker "Wuthering Heights."

Jim Porter, Laurel Whitehouse, Carol Reynolds, Janice Patz

Women in Communications, Inc.

A student chapter of this national organization was organized in Sept. Women in Communications, Inc. (WICI) has over 12,000 professional and student members in chapters throughout the United States. The organization is set up for the advancement of women in all fields of communications majors. Through the WICI networking process, students gain access to an internship exchange program, job placement, and various exposure to professional skills. The Bethany chapter of WICI was founded by Maureen Mulhern.

Alpha Psi Omega

Alpha Psi Omega is the national recognition society in dramatics. Students qualify for membership by working in all aspects for the theatre production at Bethany. Alpha Psi

Omega's activities are highlighted each year with the society's annual dinner theater. This year was no exception as the group presented "Any Number Can Die."

French

L'Alliance Francaise provides the opportunity for French students to enjoy a certain "joiv de vivre." With trips to Pittsburgh and French films in Bethany, club members become familiar with the culture and "la vie quatichienne" of France. L'Alliance Francaise also works with other language clubs during October Fest and Foreign Language Day, permitting a certain "rapport" to develop between the different language students. In addition, with the help of the French version of Trivial Pursuit, the students improve their speaking skills and prepare for the inevitable "voyage en France."

Spanish

Professor Maier, Joe Dougherty, Diane Ceo, Bill Cook, Michele Casey, Cat Morris, Tracy Kennedy, Rachel Miquez, Keith Pittman, Lisa Schmitt

The Spanish Club ventured with the German and French Clubs to Pittsburgh this year, topping their visit with a meal at Tegula Tunetron at Station Square. They also viewed the famous film "Cas Olivadados" and heard from the students who studied in Madrid. Films, speakers, and fun and games are what draw this group of Spanish-lovers together. Viva la Causa!

Back: Cathy Vukovich, Darla Jackson, Kim Alexander, Dr. Cayard (Adviser), Front: Susie Livingston, Pam Bonan, Cheryl Kindya

German

The "Deutscher Club" started off the year with its annual Oktoberfest at which the foreign language clubs sold traditional German foods. Aladdin Food Service had a typical German dinner for the whole student body that night. The club also visited the Nationality Classrooms in the Cathedral of Learning and had a German dinner in Pittsburgh. Before Christmas the club had its traditional Christmas dinner, at which they sang Christmas carols and heard Dr. Cayard's famous Christmas story. Highlights of 2nd semester included Rick Sage's presentation on Tuebingen, making us all want to! Also the club featured the film "Nathan der Weise."

VIA

Volunteers in Action brings together students from the entire campus to share fun times while working with others. About 50 Bethany students volunteer their time to help out where needed. VIA is divided into four subgroups: Kings Clowns, Children's Home of Wheeling, Home of the Good Shepherd, and Saturday School. Kings Clowns clown around at area events, bringing smiles to the faces of the people they visit. Home of the Good Shepherd is a home for the elderly where volunteers have made many new friends. The students who volunteer at the Children's Home of Wheeling help with trips to the mall, movies or the park. Saturday School has come to mean a fun time for Bethany children.

Back: Phil Mutino, Susie Sarver, Deanna Hare, Gail Celona, Carolyn Carpezzi, Jim Brown, Suzi Lemly, Gary Geiser, Matt Keene; Middle: Bethanne Brown, Coleen Casey, Anthony Sistilli, Kim Krinock; Front: Cathy Vukovich, Maria Dracopoulos, Tracy Robinson, Cathy Porter

Circle K

The Circle K Club has again been busy this year with service projects and volunteer work throughout the area. The club chaperoned a group of handicapped persons to a Pittsburgh Pirates Baseball game and took another group out for an afternoon of putt-putt golf. During the fall, Circle K hosted a convention of all West Virginia colleges with Circle K clubs. Halloween was a busy time with the club sponsoring a carnival and haunted house. Circle K raised over \$4000 worth of food and \$125 in cash for a food drive. The club is getting actively involved with a Group Home for Troubled Girls in Wellsburg. The year finished off with Circle K sponsoring the annual Brooke County Special Olympics.

Back: Mike Carter, Lucy Kitka, Janet Ibaugh, Lisa Kasonovic, Robin Butler, Paul Huston; Front: Mary Beth Ross, Heather Swanberg, Alison Joram, Beth Benatti

Newman

The Newman Society began the year with a bonfire in the coal bowl. They also sponsored a Sunday afternoon hay ride at Brooke Hills Park. Second semester they sponsored a movie about drunk driving. Newman meets every Sunday night in the Newman Community Center at Father Lew's. They are led by Sister Jane Harrington and the student leadership of President Andy Dougherty and Vice President Kris Kuzma.

Mark Hermsen, Laura Klucik, Kris Kuzma, Lisa Calemero

Midweek

Take a Mid-Week break! But what does that mean? It means gathering with a group of 20-30 people and sharing a common faith in God. Mid-week has done many things this year to keep the Christian faith alive on this campus. These include speakers, retreats, discussions, singing, sharing, and praying. The highlight of the year was Jubilee that helped incorporate one's own Christian values into a field of study.

SBOG

Once again the Student Board of Governors got off to a busy and productive start with the inauguration of Pres. Troy Martin 2nd semester. Martin and VP Colleen Casey have instituted a more concentrated publicity program to ensure better student awareness and participation in activities. Overall the new administration aimed to create a stable, well-run student government for the benefit of all the students.

Laurie Battaglia, Chris Dispensiri, Troy Martin, Karen Popp, Colleen Casey, Lisa Maher, Amy Landers, Mark Buxton

Renner Union Program Board

Luann Kohler, Kelly Kemp, John Soro, Sally Esposito, Rachel Miguez, Beth Capadona, Ms. Nicholson, Tamara Jones, Andy Gallina, Paula Stabler, DeDe Rogers, Harry Balk, Hal Newman, Dave McConahy

Social Work

The 20 members of the Social Work club have grouped together this year to provide services to the students and community of Bethany. Most of the members are social work majors. Some of the activities that they sponsored were a van to the Ohio Valley Mall and a Basket of Cheer Raffle to buy toys for the society of the Children's Crippled Home in Wheeling. Throughout the year they provided students with peer counseling and alcohol awareness discussions.

Standing: Laurie Anderson, Anne Chillingworth, Beth Valuska, Nicki Tidwell, Robin Butler, Karen Wagner, Suzanne Gensch, Bethanne Brown; Sitting: Heather Tokas, Jill Lamison, Cristy Hayes, Elaine Pender

AIESEC

AIESEC is the French acronym for the International Association for Students in Economics and Business Management. This year, members have learned to market and gain practical experience by meeting with businessmen from Fostoria Glass, Tire America, Aladdin Food Service and Ohio Valley Medical Center. Members attend regional AIESEC conferences at the University of Pennsylvania and George Washington University. In addition, senior Sue Griffin will participate in an internship abroad in the Far East. Such opportunities are available to anyone who gets involved with AIESEC.

Nick Dragonir, Beth Benatti, Beth Thomas, Jane Gallant, Sue Griffin

Political Affairs

The Political Affairs Club got off to a great start with their political candidate platform debates and rounded out with a full schedule of activities from films and speakers to the SBOG candidate debate. They heard issues from law school acceptances to the aiding of Guerrilla forces in Nicaragua and El Salvador.

Back Row: J. Olsen, S. McBride, T.R. Brysh, L. Schmitt. Front Row: J. Lantis, B. Fuscillo, J. Brandt, J. Porter.

Computer Science

The Computer Science Club, under the leadership of Janet Flanders, Kris Kuzma and Pete Caldwell, made numerous field trips and participated in many activities this year, including an expedition to Pittsburgh to visit the GENIX corporation. Genix is a former branch of National Steel and is a large computer software company. The club also had many different key-note speakers with topics covering everything from artificial intelligence to job interviews.

Back row: N. Richardson, B. Vergato, M. Dracopoulos, K. Ohrman, T. Ciancaglini, E. McDowell, A. Maisano. Front row: J. Jardin, P. Caldwell, K. Kuzma.

Tri-Beta

The Physical Life Science Club (Tri-Beta) stems from the Biological Society and has been pretty busy this past semester. With speakers ranging from the sharks of the deep to the tropical rain forest of Puerto Rico, the club has provided the campus with a variety of topics. The group also undertook the task to rebuild and beautify the deteriorated nature trail as well as plant trees down by the soccer field. Tri-Beta consists of about thirty-two members.

Dr. Buckelew, C. DeVaul, K. Schweiger, R. Patyna, J. Vile, C. Dispensiri, M. Fabbro, N. Mastro, L. Kasenovich, E. Davis, L. Bender, D. Lavoie.

R.A.

Kneeling: M. Carter, S. Sarver, D. Hare, G. Celona, B. Brown Standing: J. Hopkins, J. Dougherty, L. Calemero, H. Wood, J. Flanders, L. Gettings, J. Warren, D. Trobee, A. Merideth, B. Dean, H. Tokas, K. Kuzma.

The Resident Assistance Staff was a group that did what some have termed "the hardest job on campus." They were responsible for living with the freshmen and helping them adjust to college life. The staff, under the direction of Kuzma and Hermsen, had the additional responsibility of enforcing the new alcohol rules. Some of the staff went to a con-

ference at Marshall University where they met and compared notes with RAs from all over WV. Much was learned but it wasn't all work and those that went have some great memories. Despite any problems encountered, all the RAs will agree there are some fantastic rewards to the position!

Jazz Band

The Jazz Band, under the direction of Bert DeVaul, played two concerts, Christmas and Spring, as well as performed prior to Commencement on May 11.

Charlie Adams, Kim Alexander, Rhett Bailey, Vic Basch, Dianna Black, Rick Craighten, Chanson DeVaul, Jeff Goodman, Tom Gorden, Matt Hushon, Frank Marker, Amy Mosier, Dana Prebeg, Rick Sage, Dayna Snell, Pete Sorenson, Mike VanHeyningen, and Laurie Wingard.

Choir

The Choir continued to grow during the year under the guidance of Director Beth Dameier. The choir's spring tour was a venture across six states, ending with time at Florida's beaches and Disney World.

Panhellenic Council

Pictured above: Kathy McHugh, Kim Krinock, and Karen Derk.

The Panhellenic Council is made up by one person from each of the four campus sororities and is headed by Miss Darline Nicholson. Panhel's main function is to regulate pre-rush and rush functions. They sponsor Trim-a-Tree in December and May Morning Breakfast.

Football Cheerleaders

The 1984 football cheering squad was a good one. Eight women jumped, climbed, yelled and cheered for the Bisons while maintaining high spirits and non-stop smiles. They were blessed, as it never rained once.

Top row: Denise Fishburn, Maleah McAnich, Beth Cadwalder
Middle row: Lora Moren, Jennifer Johnson

Bottom row: M.B. Onderick, Kellie Wood, Jill Wilkerson

Basketball Cheerleaders

Basketball cheerleading had a new touch this year as 3 gentlemen joined the ranks. The squad perfected mounts, stunts, and cheers never seen before and the crowd seemed to like it.

Back row: Charlie Adams, David Barry, Mike VanHeyningen
Third row: Penny Poirier, Beth Cadwalder, Robyn DeBroske
Second row: Lora Moren, Cyndi Prime
Bottom row: Denise Fishburn, Eileen Kindelan, Chris Napoli

Homecoming Eighty-five

The fun tore through the Bethany campus like a tornado Homecoming Weekend, and Dorothy was right — there's no place like home! This quiet little town that we call home came alive and jazzed to the tunes of Spyro-Gyra in the fieldhouse on Friday night. Sports fans followed the yellow-brick road to Bethany fields to see the soccer and football teams in action. Bison booters kicked their way to a 16-0 rout over W&J. Football fans saw an exciting game which ended 14-7 in Duquesne's favor; and also the crowning of queen Lynn Canfield, a psychology major from Morristown, NJ. Alumni and students enjoyed the sounds of Arkay-5 on Saturday night, as well as all of the Homecoming hoop-la and agreed: Bethany — there's no place like home.

Left to right: Jamie Dove, Mary Jo Palmieri, Eileen Finn, John Soro, Lynn Canfield, Jeff Hartzell, Kathy Korab, Woody Mudd, Anne Zalacca, John Cunningham

Gene Returns

It was a dismal gray-day when Gene Cotton came to play in the Bethany quadrangle to open Renner Union Board's entertainment schedule. But the weather brightened along with the crowd's faces when Gene began to sing. Long-time fans as well as new listeners laid back and enjoyed the music that has made Gene Cotton a Bethany tradition for years. Many of Cotton's songs had a message — a message that got past the bloody marys and the beers and truly touched the audience. Good friends sharing good music. Let your love flow!

BETA

The Beta Theta Pi Fraternity set a new Guinness world record for the longest volleyball game. Twelve members played for 84 hours on Sept. 27-30. They broke the 5-year-old record of 75 hours and 30 minutes. The Betas raised over \$3,000 for the Kidney Foundation in honor of Dr. Richard B. Kenney, Head of the religion department and past advisor of the fraternity. Both students and faculty contributed with pledges and donations.

Members participating in the marathon held in the Alumni Fieldhouse include: Tom Caruso, Dave Chernicky, Ed Chuba, Jamie Dove, Marty Hoffman, Lou LeDonne, Dale Wytiaz, Craig Frisina, Jeff Hurl, Rick Organ, Greg Warner, and Dave McConahy. Despite all of the exhaustion and fatigue, the brothers of Beta Theta Pi succeeded . . . Good job guys!

DELTA

The Brothers of Delta Tau Delta Fraternity held a frisbee marathon on September 13-14 to raise money for The Wheeling Society for Crippled Children.

The members collected nearly \$1,200 in pledges, concession sales, and donations and braved the rain, soggy ground, wet clothes and generally terrible weather conditions while listening to music for the 24 hours. Two of the Delts — John Potemri, past president of the fraternity, and James Silvestri, chairman of community services for the fraternity — received an award for outstanding community service from 97 WK, a Wheeling radio station. Congratulations to the brothers of Delta Tau Delta for the wonderful job.

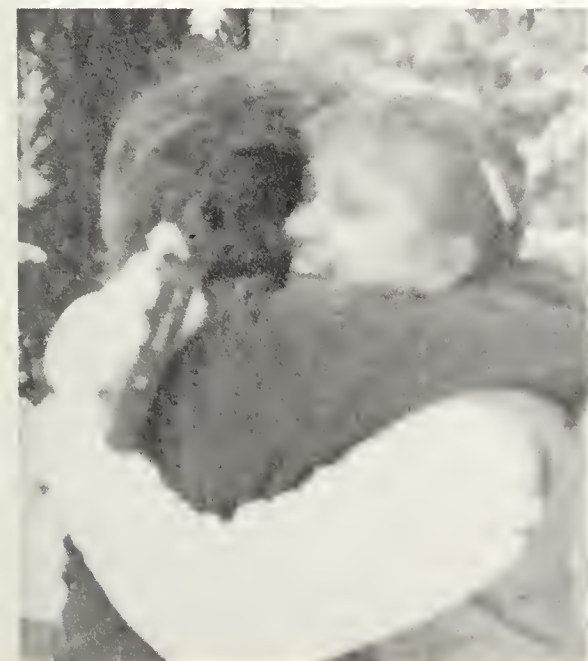

BID DAY

It was 4:30 p.m. on Feb. 3, 1985, and the scene had been set . . . the trees and ground had been covered by the freshly fallen snow, a chill was in the air and anticipation and excitement could be seen everywhere! It was time for the event that the whole Greek system had been waiting for!!!! . . . BID DAY!!

The women received their bids in Wailes Theatre this year from Miss Nicholson. After the women read their bids, they proceeded to run outside, meet some of their new sisters and rush up the hill to meet everyone else. The emotions flowed and the magic began . . . Hugs were exchanged, tears were shed, songs were screamed, lasting friendships were started and then the partying began to welcome the new sisters!

The men were greeted by their new brothers outside of Richardson. The brothers wore all kinds of fun partying attire to set the celebrating mood! Afterwards, the new brothers participated in many events back at the houses, including snowball battles.

The independents also took part in this special day and all of it's fun activities! Their enthusiasm and excitement made this years Bid Day a great success!

Theater

Under the supervision of Dr. David Judy, the Bethany College Theater Department presented the following productions:

I Do, I Do! by Jones and Schmidt

Crimes of the Heart by Beth Henley

The Threepenny Opera by Brecht and Weill

How the Grinch Stole Christmas by Dr. Seuss

Sister Mary Ignatius Explains It All For You

by Christopher Durang

Alpha Psi Omega Dinner Theater

Working by Studs Terkel

Semester

Twenty Bethany students spent the semester in Oxford, England, studying under Professor John Taylor. The Bethanians lived as tenants around the city of Oxford. Classes were held at the Cowley Community Center every morning for three hours and the afternoons were free for exploring. Part of the British History class included day trips to Canterbury, Bath, Cambridge, Salisbury and Coventry. The group visited Shakespeare's birthplace to see "Hamlet" and saw many plays on their own as well. Students also visited such places as Scotland, Ireland, France, Spain, Amsterdam, Italy and Greece. Maybe a weekend in Wheeling cannot compare to Paris, but the travelling Bethanians have realized "there's no place like home!"

Abroad

Roaming through historical sights, late street markets, sidewalk cafes and European discos are just some of the many activities enjoyed by the Bethanians that were studying in Madrid, Spain. The four students studied at the same university yet did many things individually, including traveling to different parts of Europe and Spain. They were forced to learn from trial and error the do's and don'ts in a foreign culture. The semester was not at all full of fun for there were hardships that made it even more difficult to cope with living away from home. The Semester abroad truly shaped a major part of our lives . . . We learned a lesson not taught at the University, a small part of a lesson in life.

Party!

The Regatta Reborn

Nineteen Eighty-Five's Spring Weekend included more than two fantastic bands: The Busboys and The Swampp Band; it saw the return of THE REGATTA! Fishermen hoping for big catches in the mighty Buffalo were surprised by floating Bethanians who participated in the revival of a tradition that "sank" several years ago. Many students spent a sunny spring day aboard makeshift crafts and then washed the Buffalo juice out of their hair in the cafeteria. Between jamming and saluting, the entire weekend was a successful way to usher in the spring on campus.

May Morning Breakfast

Besides strawberries and cream and spring flowers, this year's May Morning breakfast honoring the senior women included the presentation of "Eighty years of Fashion." This fashion show, done by Lisa Krause, highlighted fashion from the turn of the century to the present. Guest speaker Jane Glauser, a 1979 Bethany graduate and Wheeling attorney, discussed the value of a liberal arts education.

Bethany College's 144th Commencement was held in the Old Main Quad on May 11, 1985, at 10:00 a.m. It was the first time in many years that the weather permitted commencement to be held outside. Baccalaureate was held the night before in Commencement Hall after the graduates processed up from Bethany Memorial Church.

Edward H. Jennings, President of Ohio State University, gave the address to the graduates during Commencement services. Diane Ceo was awarded the Oreon E. Scott Award for the highest cumulative GPA in the class of 1985. A reception was held in front of Old Main following Commencement services.

Love . . . yes, and I dare to say that each of you will have a special love for Bethany at some point in your life. For it is the love that exists in the hearts of Bethanians that makes this place what it is . . . an unchanging, yet everchanging, Bethany College.
